ABOUT ME

I am an energetic, ambitious person who has developed a mature and responsible approach to any task that I undertake. As part of that I completed my web development course at UKI with extensive knowledge in Frontend and Backend languages. I am highly attached to the modern technologies and innovations. Now I am actively participating in programming activities as an excellent way to enhance your skills and stay updated with the latest trends and technologies. My hard-work, commitment and self-confidence always provide wider opportunities for my future. Attentive and adaptable teacher skilled in management of class operation.
